**"The mission of SEMHAC is to strengthen a coordinated regional response to the HIV/AIDS epidemic in Southeastern Michigan by involving individuals infected and affected by HIV, and community leaders in the public and private sectors to: Identify unmet needs; Develop programmatic and funding strategies to meet the gaps in service; Propose a plan to coordinate resources of all available**

agencies in order to maximize services to improve the quality of life of affected population; Monitor and report progress within the continuum of care to increase community support and commitment.”
